### Thanksgiving Luncheon

Westonwood  
Thanksgiving  
luncheon was on  
November 21st. At this  
event, we shared a  
Thanksgiving meal at  
Crosspoint Church in  
Niceville.

# Liftoff News

This month we spent our time  
volunteering and caring and sharing  
at Alaqua

## Alaqua

several participants were surveyed about why they like volunteering their time and what they like most about Alaqua. Their responses were: "I like taking care of the farm animals specifically the donkeys and mini horses I care for them by mucking their enclosure and checking their water. Another participant responded "I like going to Alaqua because it gives me something different to do and i also like visiting and taking care of the rescue dogs".

## Caring and Sharing

Volunteering at sharing and caring has been a blast. Getting to help people in need is something I really enjoy doing. Putting hygiene bags and food bags together is really fun. It makes me happy to know that there are places out there that help the less fortunate. I cant wait to volunteer more in the future.
