### SENSORY FRIENDLY TRICK OR TREAT

Sensory-Friendly Trick-or-Treating was an enjoyable evening filled with trick-or-treating and games. The event welcomed individuals of all ages, abilities, and families from our community. Designed to be inclusive and accessible, it featured a sensory-friendly environment without loud music, strobe lights, or any other sensory-triggering elements

## WHY IS IT IMPORTANT TO BE FLEXIBLE

Flexibility and adaptability can enhance resilience, strengthen problem-solving abilities, and boost self-confidence

This month, our day program has been focusing on building self-regulation and 'flexibility' skills. These important abilities are nurtured through activities such as playing board games and navigating real-life situations where unexpected events arise.
